**KEYSTONE SERIES® MAILBOX**

The unique scripted raised letters highlight the new Signature Mailbox. Made of solid brass, each elegant letter casts a soft shadow across the mailbox door which adds depth and unmistakable character. Each Signature Mailbox is made from the same quality materials you've come to expect from Gaines Manufacturing. Available in six colors and four accent finishes, the Signature Keystone Series mailbox is certain to complement the architecture of any home.

Unique Raised Lettering Casts Soft Shadows and adds Depth to Front Door
